

3 – 5 March 2020 | DUBAI

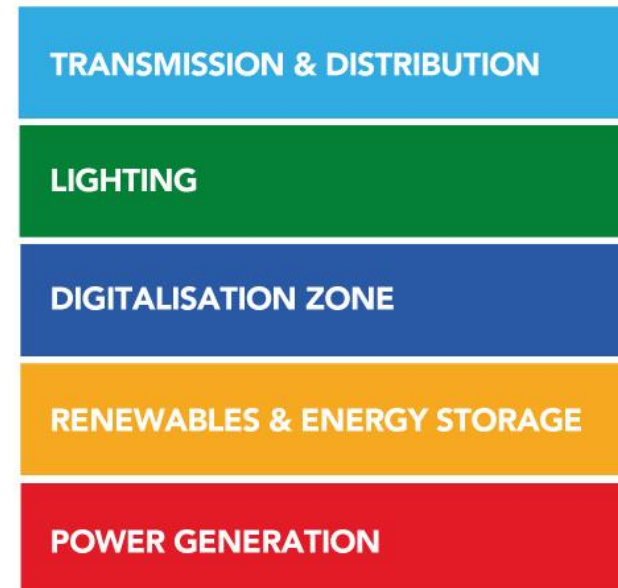

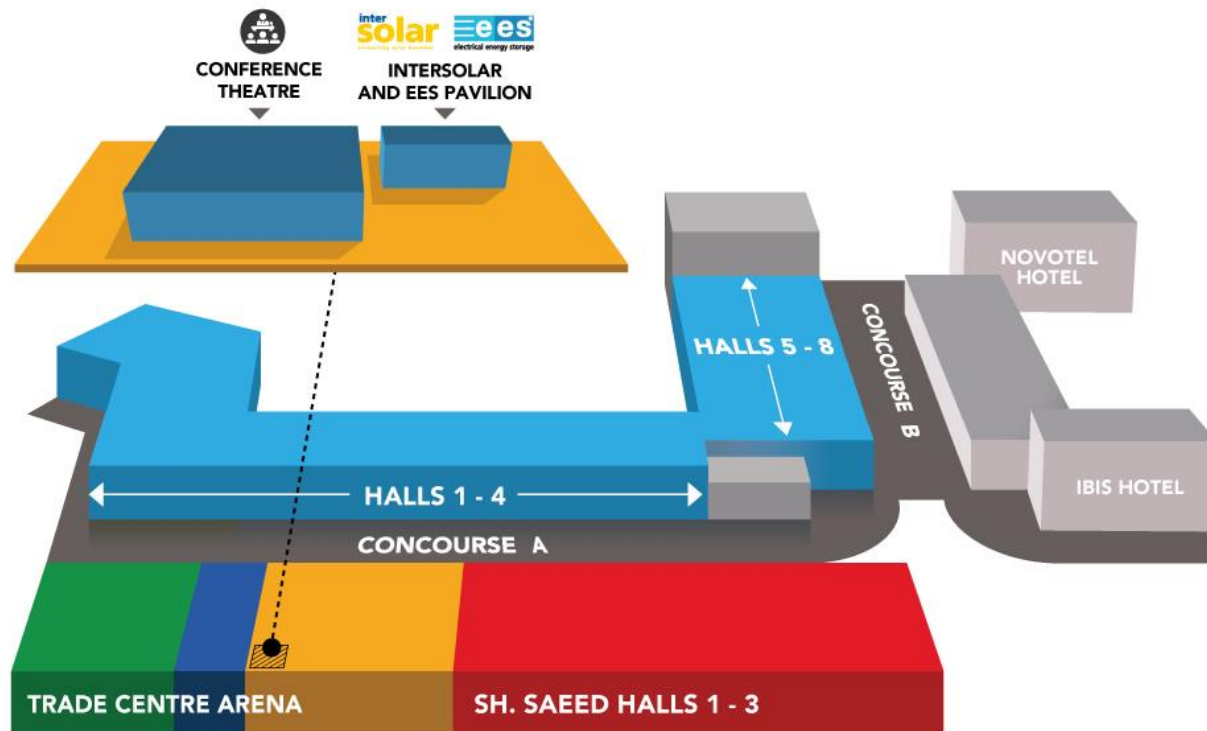

In 2020 Intersolar & EES are joining hands with Middle East Electricity to present a brand new event concept to the MEA region.

Intersolar & EES will be launching a unique feature area in the heart of the renewable Energy & Energy Storage product sectors at MEE 2020, including exclusive exhibiting pavilions for their customers, the annual Intersolar Middle East Conference, and two Technical Seminar Theatres where exhibitors can present their technologies to the visiting audience.

## EES & Intersolar Pavilion Location

- Strategically positioned booths in the centre of the Energy Storage product sector
- Situated directly beside the 300 pax. Intersolar/EES Conference Theatre
- Conveniently located near the Energy Storage Seminar Theatre
- Metres from a major registration desk and the visitor drop off point

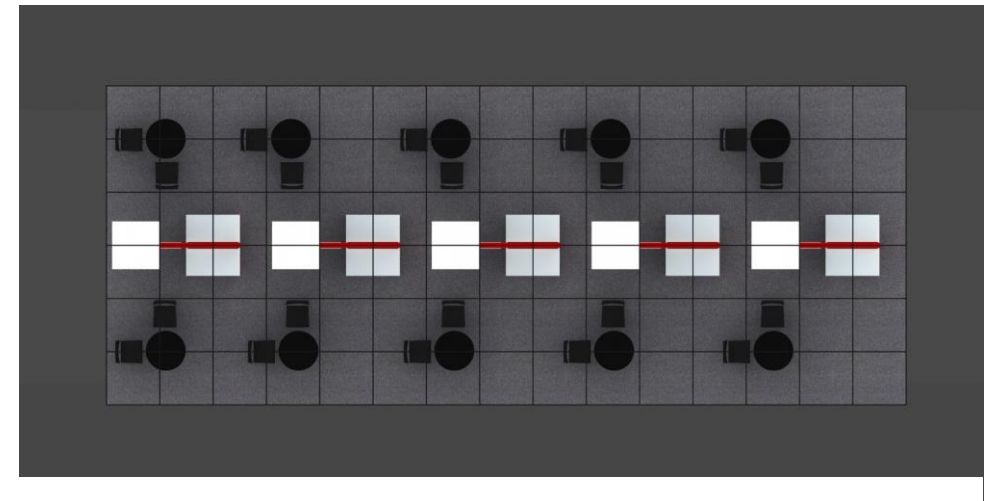

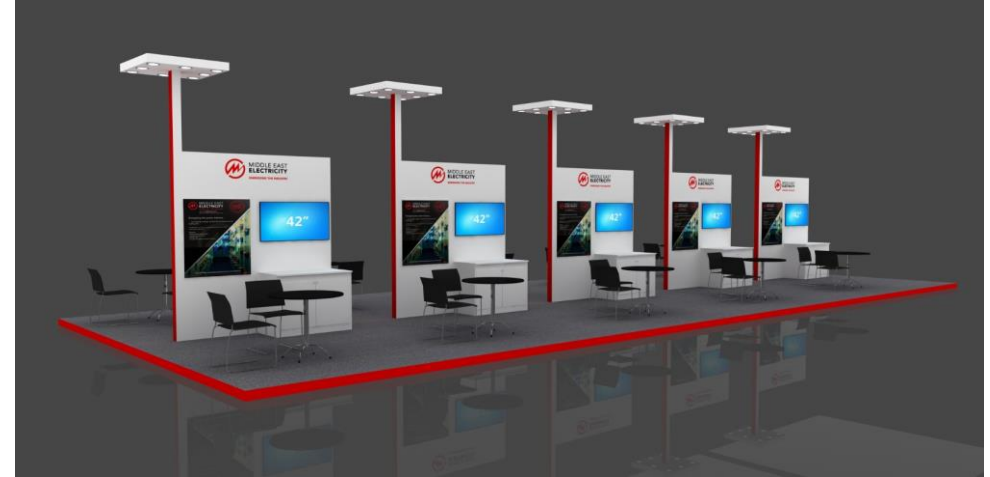

## Standard EES Middle East Pavilion Package

- Fully Built Video-pod with 42" TV screen
- 1 x 30 minutes Technical Seminar Speaking Slot (first come-first served)
- 1 Table, 3 chairs, carpeting, spotlights & power sockets, 1 brochure racket
- 1 Conference Ticket to the Intersolar/EES Middle East Conference (worth \$500)
- Additional Conference Tickets to the Intersolar/EES Middle East Conference with 50% off
- Basic Company entry in Event Directory and Event App

Package Price: \$5,000
